Short Session Description (one line): Entrepreneurship allows people to do what they want to do and follow their passion. It plays an important role in economy.

Full Session Description (as long as you would like): I believe entrepreneurs are the keys drive of tomorrow's innovation and integral to creating thriving economy. I study in kamla Nehru public school and our school is having business club and I am the member of business club this help us in increasing thinking creative things , innovative and new ideas and it teaches us how to deal with our product buyer . If in future a person becomes a product seller than these skills will help him to deal with the buyer. We can also aware the students about entrepreneurship through technology .at the last I want to say that if you can't do big things then do small things in a great way .
